

Homework 8
Due 1 May 2002

This homework assignment is the final exam from last semester. It is therefore comprehensive. You can expect questions from any part of the course. It does not cover every topic in the course. There are other Homework 8 assignments from previous semesters that are also final exams and, thus, are good to study for this semester's final: They include Spring 2000, Fall 2001, Spring 2001. Please check out the class reserves for copies of these assignments. You can also find the final exam from Spring 1998 in the reserves.
